Dear Editor,

This is to correct an accuracy with regards to your article headlined: "More Force on Campus" published on the front page of the Cape Times today (13 January 2016). The article states that there were "armed men dressed in black trousers and white shirts" at UCT. This is inaccurate.

The additional security officers are not armed. What is also unfortunate is that this claim was not put to us as part of the query sent to us yesterday.

Kindly correct this inaccuracy.

Regards,

**Elijah Moholola**
