Re: This Is How Much Students Will Pay Just To Register For University In 2017

Good day,

Your article titled "This Is How Much Students Will Pay Just To Register For University In 2017" refers.

The article states that: "UCT requires students to pay R21,500 for tuition (or their full fees if they are more or lower than this figure) by 5 February. Non-South African students, who do not have permanent residence but who pay local fees such as students from a SADC country, must pay an additional R3,275 admin fee. The balance of all outstanding fees must be paid by 30 June.

We would like to make the following corrections:

- The line highlighted in red is incorrect. It should read "or their full fees if they are lower than this figure".
- The dates stated are incorrect and were only applicable last year (2016). The initial payment of fees (for tuition and residence) is due by Friday, 3 March 2017 and final payment is due 31 July 2017. This updated information is available [here](#).

Please correct this in your story.

Regards,

Elijah Moholola
