Opportunity to join the University of Cape Town

Faculty of Health Sciences

Department of Human Biology

Hyman Goldberg Professorial Chair and Head of Division of Biomedical Engineering

The University of Cape Town and the Department of Health of the Western Cape Government invite applications for the above position, which is a joint appointment. The incumbent will hold a primary appointment in the Department of Human Biology (Faculty of Health Sciences) and an association with Medical Physics in the Department of Radiation Medicine (Groote Schuur Hospital).

Requirements:
- recognised leader in the field of Biomedical Engineering, with a record of scholarship and experience in the relevant areas of teaching and research, as well as having insight into the challenges of health care in South Africa and Africa
- demonstrated ability to apply Bioengineering principles to clinical needs, in order to promote health care and translational research
- commitment to the Primary Health Care philosophy of the Faculty of Health Sciences
- a track record demonstrating ability to secure competitive funding
- ability to provide a vision for the future of research and development in Biomedical Engineering
- ability to attract and develop staff of quality and relevance, and to provide leadership regarding issues of diversity, transformation and equity.

The academic level of appointment will be appropriate to the level of experience, this will be at the level of Professor.

This position is full-time and is on the establishment of the University of Cape Town under the Joint Agreement with the Western Cape Government. The annual remuneration package, including benefits is R837 169.

Enquiries about this position should be directed to Professor Lauriston Kellaway, Department of Human Biology at lauriston.kellaway@uct.ac.za

Application process:
To apply, please e-mail the completed UCT Application form (HR201) and all other relevant documentation, as indicated on the form, with the subject line “Hyman Goldberg Professorial Chair and Head of Division of Biomedical Engineering”, followed by the reference number, to Ms Edith Graham at edith.graham@uct.ac.za

The application form can be downloaded at http://web.uct.ac.za/depts/sapweb/forms/hr201.doc

An application which does not comply with the above requirements will be regarded as incomplete.

Address: Staff Recruitment and Selection, University of Cape Town, Private Bag X3, Rondebosch 7700, South Africa.
