Building Children’s Nursing for Africa

17-19 April 2013

The River Club • Cape Town • South Africa

A participative conference for neonatal, paediatric and paediatric critical care nurses to celebrate and build on what nurses do well in caring for children and their families.

Featuring international key-note speakers from Kenya, Brazil and the USA.

CONFERENCE THEMES:

• Best practice in children's nursing has measurable outcomes
• Best practice in children’s nursing intentionally includes families
• Best practice in teaching and learning children’s nursing
• Best practice in different teams and settings

Exciting pre-conference workshops planned for 16th April. Keep an eye on the website for further details

Post-conference workshop on 20th April. An opportunity for speakers to translate their presentation into a publishable paper
