- **Professor John Hearn CEO, World University Network (WUN) and DVC Internationalisation, Sydney University** - The Role of the Global Network in Higher Education

The theme of the conference is: *Promoting Higher Education Internationalisation through International Research Collaborations, Partnerships and Innovative Teaching*. It will seek to define what internationalisation means or should mean for institutions in South Africa.

Many world renowned scholars as well as a number of our own South African experts and government officials will speak at the conference.

There will also be various workshops, plenary sessions and indabas at which higher education leaders, including UCT Vice-Chancellor Dr Max Price, will be discussing how they should be responding to issues around higher education internationalisation.
